“A Diet For All Reasons” video
by Michael Klaper, M.D.

There is absolutely no nutrient, no protein, no vitamin, no mineral that can’t be obtained from plant-based foods”—Michael Klaper, M.D. In this video you will learn so much information that is facts, not theories! You will want to watch it again and again and again...

Special 10 for \$1.50 each or 25+ for 1.10 each

“Counsels on Diet & Foods”, by Ellen G. White

She spoke for 50 years, writing her views in articles, books, and personal correspondence. Nutritionists today are aware of people’s resistance to changes in their diet. Yet Ellen White succeeded to changing the dietary practices of 100s of 1000s who today profitably follow these counsels, now well supported by scientific research.
